PATENT NO. : 7,370,009 B1

APPLICATION NO.: 09/841,320

ISSUE DATE : 6 MAY 2008

INVENTOR(S) : Ranjit N. Notani, Vinatha Chaturvedi, Vinayak S. Ghaisas, Harsha Chaturvedi

It is certified that an error appears or errors appear in the above-identified patent and that said Letters Patent is hereby corrected as shown below:

Please replace the paragraph appearing at column 8, lines 8-20, with the following:

At step 216, ADW 50 communicates the status data for one or more suppliers 12 to planner application 36 and, possibly, to manager application 44. Based on the status data and an appropriate model for at least the portion of the value chain containing the supplier 12, planning application 36 generates an updated plan at step 218. Although supplier 12 and its associated value chain are primarily described, as noted above the present invention contemplates planning for any suitable collection of entities, such as multiple factories of a single enterprise or multiple operations within a single factory. Planning application 36 then communicates the plan to manager application 44 and to enterprise systems 28 of supplier 12 at step 220.

REQUEST FOR CORRECTION OF ISSUED PATENT

Commissioner for Patents
P.O. Box 1450
Alexandria, Virginia 22313-1450

Sir/Madam:

This Request for Correction of Issued Patent is filed to correct a typographical error in the above-referenced United States Patent. Certificate of Correction Form PTO/SB/44 is being filed electronically herewith.

Please consider the following remarks, and issue a Certificate of Correction with the corrected typographical error.

IN THE SPECIFICATION:

1. Please replace the paragraph appearing at column 8, lines 8-20, with the following:

At step 216, ADW 50 communicates the status data for one or more suppliers 12 to planner application 36 and, possibly, to manager application 44. Based on the status data and an appropriate model for at least the portion of the value chain containing the supplier 12, planning application 36 generates an updated plan at step 218. Although supplier 12 and its associated value chain are primarily described, as noted above the present invention contemplates planning for any suitable collection of entities, such as multiple factories of a single enterprise or multiple operations within a single factory. Planning application 36 then communicates the plan to manager application 44 and to enterprise systems 28 of supplier 12 at step 220.

REMARKS:

The above-referenced United States Patent was issued with a typographical error in the Specification.

Patentees and Assignee respectfully submit that a typographical error appears in the paragraph appearing at column 8, lines 8-20 and should be corrected as follows:

At step 216, ADW 50 communicates the status data for one or more suppliers 12 to planner application 36 and, possibly, to manager application 44. Based on the status data and an appropriate model for at least the portion of the value chain containing the supplier 12, planning application 36 generates an updated plan at step 218. Although supplier 12 and its associated value chain are primarily described, as noted above the present invention contemplates planning for any suitable collection of entities, such as multiple factories of a single enterprise or multiple operations within a single factory. Planning application [[44]] 36 then communicates the plan to manager application 44 and to enterprise systems 28 of supplier 12 at step 220.

Patentees and Assignee respectfully submit that, as shown above, the planning application [[44]] should be corrected to read planning application 36.

Patentees and Assignee respectfully submit that the above-referenced typographical error occurred in good faith. In addition, Patentees and Assignee's respectfully submit that the correction of the typographical error does not involve changes that constitute new matter or require reexamination.

Therefore, pursuant to 37 C.F.R § 1.323, Patentees and Assignee respectfully request that the Commissioner issue a Certificate of Correction with the corrected typographical error in the specification appearing at column 8, lines 8-20.

A Certificate of Correction, Form PTO/SB/44 is electronically submitted herewith, including the authorization to charge the \$100.00 Certificate of Correction fee to Deposit Account No. 500777.

CONCLUSION:

In view of the foregoing remarks, Patentees and Assignee respectfully request the Director to issue a Certificate of Correction with the corrected typographical error.

A Certificate of Correction Form PTO/SB/44 is being filed electronically herewith. **The Director is hereby authorized to charge the \$100.00 Certificate of Correction fee to Deposit Account No. 500777.** Although Patentees and Assignee believe no additional fees are deemed to be necessary; the undersigned hereby authorizes the Director to charge any additional fees, or credit any overpayments, to **Deposit Account No. 500777.**

Please link this application to Customer No. 53184 so that its status may be checked via the PAIR System.

Respectfully submitted,
